

## {Let Out Your Frustrations}

👁 8 ✓ 0 ★ 1

### Chapter 1 by Story Wars

I know this is nonsense but I'd like anyone to talk about whatever they want that frustrates them.

Like how I spent half an hour to type up a story, left my laptop for ten minutes to use the bathroom and eat, then came back. I copied my writing so I didn't have to re-type anything before I refreshed my page, then BAM all that hard work gone. This is like the fourth time that has happened to me. Its infuriating. It doesn't help when you're already mad and then this happens and now I'm just pissed. Hard work gone. Now I'm going to wait until tomorrow to type it up and I hope you all enjoy my new story once it's actually up...
